VOLUME 54 — EAST JORDAN, MICHIGAN, FRIDAY, OCTOBER 13, 1950 — NUMBER 41

"Red Rayders" Take Tilt With East Jordan, 13-0

BOTH TEAMS HAD LONG STRING OF WINS TO THEIR CREDIT

Coach Del Terrill's Charlevoix High School "Red Rayders" stretched its span of games in a row without a defeat to 35 here last Saturday afternoon as they triumphed over Coach Saxton's Jordanites 13-0 in a game played in a steady downpour at the West Side Athletic Field.

Thus brought to an end East Jordan's span of 18 games in a row without defeat, probably the longest streak in the school's long gridiron history.

The heavier, more experienced Charlevoix men proved too much for the undermanned Red and Black, who fought gamely to the very end. The two teams had played a scoreless tie in 1948 and a 13-13 deadlock last year.

East Jordan took the opening kickoff to the Charlevoix 4 yd. stripe and then fumbled to bring an end to their only serious scoring threat of the afternoon. The visitors scored midway in the second stanza as Bryan went off tackle from the 5 yd. stripe. Cunningham's kick for the extra point was good and Charlevoix led at halftime 7-0. Hardy, hard driving Rayder fullback, tallied Charlevoix's second and final touchdown early in the final stanza as he drove over from the three. Cunningham's kick was wide and the final score was Charlevoix 13, East Jordan 0.

The visitors picked up 10 first downs to 6 for the Jordanites. The offensive maneuvers of both elevens were greatly hampered by the driving rain and mud soaked field. Passing necessarily was very limited as the rain-soaked pigskin proved hard to handle.

Whiteford and Sommerville turned in outstanding performances on offense for the locals with the work of Boring, G. Danforth, D. Thomas, Shepard and K. Evans standing out defensively. Boring's line backing lacked nothing to be desired as the 150 senior was in on nearly every tackle.

The Jordanites travel to Grayling tomorrow (Friday) where they will tangle with Coach Bruce Smith's Green and White in what promises to be a rugged battle. Boring may be lost to the Jordanites for the first time in 4 years as he suffered a badly sprained ankle on the final play of the Charlevoix skirmish.

Annual P.-T. A. Harvest Supper Next Monday

The annual P.-T. A. Harvest Supper will be held Monday, Oct. 16, at 6:30 p. m. in the East Jordan High School gymnasium. Everyone is to bring a dish to pass, sandwiches and table service.

The rooms will be open so that parents may talk with the teachers.

Those working on committees are: Mrs. Clayton Healey, Arthur Kaley and Albert Chanda, clean up; Mrs. Ernest Kopkau, Rolland Scott and Clifford Bradshaw, kitchen; Mrs. Wm. Bennett, Ray Gokee and John Savory, dining room.

IN MEMORIAM

In loving memory of Burdett Evans who passed away Oct. 17th, 1940.

October brings sad memories
Of our loved one gone to rest.
He will always be remembered
By those who loved him best
The flowers we place upon his grave
May wither and decay
But the love for him who lies beneath
Shall never fade away.

His Children, Grandchildren and Neice.

41x1

The New Parking System

How do you like the new parking in the center of the street?

Although it was started as a temporary measure, it has developed some advantageous features. First, it is rolling into place the new paving. It parks more cars. Count 'em. There are 6 more cars at the corner of Main and Esterly. There are 4 more at the south end of Main. There are more cars wherever there is a fire plug, in front of the Post Office, and the Theatre. It has slowed up traffic through Main St.—drivers are more cautious. It has eliminated double parking.

Someone remarks that it is more dangerous, that you must walk from the curb to your car. It is more dangerous? Children, and some adults, are prone to look ONE WAY ONLY and dash across the street. Now you need only look one way in each line of traffic.

The street looks wider and neater. Strangers coming into town remark how well the system looks and works. Tell your City Officials what you think.

Jassamine Rebekah Lodge

Met Oct. 4th with 34 members present. We draped our charter at this time for Past Assembly President, Blanch Stewart.

Thirteen members traveled to Pellston Tuesday night for Dist. Officer Visitations. Three district officers were present, including District Treasurer I. H. Wright of our lodge.

Bake Sale and Bazaar on Oct. 14th is planned. All members please furnish.

American Legion Aux. Committee Chairmen Appointed for 1950-51

The new officers of the American Legion Auxiliary Rebec-Sweet Post Unit 227 started their term in office at the last meeting held in the Legion Home Oct. 5th. Edna Wilkins, president, thanked all past officers and chairmen as well as all members for their fine cooperation during the past year, making it a year of great accomplishment. Several final committee reports were read and books were turned over to the new chairmen.

Chairmen of Committees were named as follows: Color Bearer, LaVera Ingalls; Cards and Flowers, Peggy Thomas; Radio, Marietta Walden; Gold Star, Martha Kamradt; Jr. Activities, Mariliegh Clark; Community Service, Mary Lou Breakey; Child Welfare, Eldeva Gokee; Music, Thora Kotowich; Poppy, Mary Hayes; Girls State, Lillian Bennett; Legislative, Shirley Isaman; Constitution and By-Laws, Mildred St. Charles; Americanism, Marge Reed; National Security, Hilda Bathke; Education of Orphans of Veterans, Janice Kotowich; Rehabilitation, Reva Walton; Pan-American, Anabelle Gilmore; Membership, Jean Peterson; Publicity, Bernadine Brown. It was decided that on the semi-social meeting nights the entertained would be planned by the chairman who is in charge of the program for that month so the programs should be interesting and varied. A general Chairmen's meeting was called for Wednesday, Oct. 11th, after the drawing in the Legion Home to discuss plans for the coming year.

A report on the Halloween Party was given by Shirley Isaman. She said it was decided by the joint committees of Legion and Auxiliary to have a dress up party (not masked) on Saturday, Oct. 28. Cider and doughnuts will be served and prizes given for the best and funniest costumes. Hilda Bathke was appointed as chairman of a committee to start raising funds for Delegates to the Dept. Convention next year. Lillian Bennett and Florence Stucker are to work with her.

Auxiliary meetings will continue to be held the first and third Thursdays of each month.

Junior Auxiliary will meet at the Legion Home the second and fourth Saturdays of each month. Many fine plans are in the making for the Juniors and this should be an interesting year for them.

The annua Armistice Day get-to-gether, Nov. 11th, will be under the direction of Agnes Woodcock. Plans fos this day will be announced later. Plans for pinochle parties have been tabled until later in the year when there isn't so much doing.

Jay Salisbury, 84 Resident Here Past 12 years, Passes Away

Jay Salisbury was born December 26, 1866, in Lucus County, Ohio, and passed away at Grandview Hospital, South Arm Twp., Oct. 5, 1950. He had been in failing health for some time.

Mr. Salisbury was a retired farmer and came to East Jordan to make his home twelve years ago. He erected his home on East Mill St. where he lived until he became ill and was taken to the hospital.

Surviving are two sisters, Mrs. F. A. Creswell, East Jordan, and Mrs. Pearl Fosgate, Temperance, Mich; a brother, George Salisbury of Toledo, Ohio; also several neices and nephews.

Funeral services were held on Saturday, Oct. 7th, conducted by Rev. Edward DeHaven. Bearers were: Hollie Bayliss, Harry Slate, Sherman Conway and John Ruff. Interment at Sunset Hill, East Jordan.

South Arm Community 4-H Club Elects Officers

The South Arm Community 4-H Club held their annual election of officers Oct. 4th. The officers elected were:

President — Arvita Liskum
Vice-President — Jack Zoulek
Secretary — Margaret Zoulek
Treasurer — Rushell Hart
Reporter — Sandina Liskum.

These officers will be installed with a special candlelighting service at our next meeting. Each officer will receive an officer's pin.

The club voted to have a Halloween party Oct. 31st.

Our club made $141.00 in our booth at the fair. We thank all the parents and leaders who helped us at the fair.

A straight line may be the shortest distance between two points, but most people find it the hardest way.

MARRIAGES

Pietrzak — Lilak

Beautiful bouquets of gladioli decorated the candle lighted altar of St. Charles Church, Cheboygan, Saturday morning, Sept. 16th, for the wedding of Miss Josephine Pietrzak of that city and Joseph Lilak of East Jordan.

They spoke their vows before a large group of relatives and friends at a nine o'clock nuptial High Mass solemnized by the Rev. Fr. Albert Imbault.

The bride is the daughter of Mr. and Mrs. Michael Pietrzak of Inverness and her husband is the son of Mrs. Anna Lilak of East Jordan.

Given in marriage by her father, the bride was attractive in a beautiful white satin brocaded gown designed with snug fitting bodice, double shoulder cape fastened with tiny buttons at the side and a full ankle length ballerina skirt. Tiny clusters of orange blossoms and velvet ribbons were used at the collar and waistline and her finger tip veil of illusion was held in place by a crown of seed pearls. She carried a bouquet of white roses, carnations and mums tied with a bow. White satin slippers completed her attire.

Her sister, Miss Barbara Pietrzak, was bridesmaid and her dress was of blue moire brocaded satin fashioned on the same lines as the brides. She wore pink mums in her hair and carried pink mums and carnation tied with a matching bow.

Best man was Archie Nemecek of East Jordan. Guests were seated by Attorney L. E. Berry, Sr., and Henry Podgorski.

A biege crepe dress was worn by the bride's mother and her flowers were yellow glads and mums. Mrs. Lillk chose navy blue with matching accessories and her corsage consisted of pink glads and mums.

Following the ceremony a wedding breakfast was served at St. Francis Hall at Alverno. About one hundred guests were seated at a U-shaped tabe artistically decorated with pink and white dahlias and white candles.

A four-tiered wedding cake centered the bridal table. After the cutting of the cake it was served each guest in a small box marked for the occasion.

In the evening a dancing party was held for about two hundred guests.

For going away Mrs. Lilak wore a red velvet frock with navy accessories. Her flowers were white carnations and mums.

Upon their return to Cheboygan, following a ten-daw trip to Chicago and other points of interest, Mr. and Mrs. Lilak will take up their residence in an apartment on Mackinaw Ave.

Mrs. Hedwig Smukowski designed and made the gowns for the bride and her sister.

Mrs. Lilak has been in the employ of the Berry & Berry Law Firm of Cheboygan for several years. Mr. Lilak is affiliated with the Michigan State Highway Department as Inspection Engineer.

Among the out of town guests present were: Mr. and Mrs. Wm. Slansky and daughter, Sally, of Riverside, Ill.; Mr. and Mrs. Carlton Smith and sons, Charlevoix; Mr. James Taber, Grand Rapids; Mr. and Mrs. Francis Lilak, Mr. and Mrs. Ole Hegerberg, Mrs. Anthony Kenny, Joseph Lilak, Sr., Mr. and Mrs. Archie Nemecek, Mr. and Mrs. Norman Bartlett, Mr. and Mrs. Carl Skop, Mr. Chester Skrocski, East Jordan; Mr. and Mrs. Walter Cremeans and Miss Angela Deno, Elmira; Mr. and Mrs. Howard Bricker, Boyne City.

Stanek — Perkett

Miss Emelia Stanek, daughter of Mr. and Mrs. Albert Stanek of East Jordan, was united in marriage to Mr. Robert Perkett, son of Mr. Joseph Harold Perkett of Boyne City, at a Nuptial High Mass at St. Johns Church, Bohemian Settlement, Oct. 9, at 8:30 a. m., before an altar decorated with mixed gladioli, pink gentins and candles, Rev. Jerone Syzlowski officiating.

The bride wore a street length dress of aqua silk crepe with brown accessories and carried a bouquet of white gardenias and stephananatis and her prayer book.

Attending the bride was Miss Angela Presello of Boyne City, while John Tuller assisted the groom. Miss Presello wore a street length dress of pink crepe with black accessories. White and pink asters made up her bouquet.

Mrs. Albert Stanek, mother of the bride, and Mrs. Joseph Harold Perkett, stepmother of the groom, wore navy blue and gray dresses respectively. Each had a corsage of yellow mums.

A reception and breakfast were served at the Rainbow Gardens immediately following the ceremony to about 50 guests. The bride's table was centered with a large three-tiered wedding cake. The couple received many beautiful gifts.

The bride was a graduate of the class of '45 of the Boyne City High School. She served as teller at the State Bank of East Jordan at Boyne City.

Mr. Perkett was also a graduate of the class of '45 from Boyne City. He also graduated from the Houghton College of Mining and Technology.

The couple left on a two weeks honeymoon, during which they plan to visit Niagara Falls, Upper Peninsula, Wisconsin and Washington, D. C.

On their return they will make their home in Rose Clare, Ill., where the groom is employed.

Out of town guests were. Mr. and Mrs. Joseph Perkett, Traverse City; Mr. and Mrs. Clem Stanek and Mrs. Clara Jorineski and son, Detroit; Mrs. Alice Eldred and son, Flint; Mr. and Mrs. Louis Vert, Williamsburg; Mr. and Mrs. Ed Stanek, Petoskey; Mr. and Mrs. Bob Anzel, Mr. and Mrs. Joseph Perkett and Rev. M. Ostrowski, Boyne City.

Severance — Lewis

Betty Ann Severance, daughter of Mrs. C. S. Severance and the late Stanley Severance of East Jordan, became the bride of John William Lewis, son of Mrs. M. F. Lewis and the late Morgan Lewis of East Jordan, Oct. 7th, at 4:00 p. m. in the Presbyterian Church.

Organ music by Mrs. Hans DeYoung of Atwood preceeded and accompanied the ceremony performer by Rev. Edward DeHaven before an altar decorated with white gladioli and chrysanthemum with autumn leaves and candleabra.

The bride, attired in a blush pink gown of satin and tulle with a shoulder length veil of illusion was given in marriage by Mr. Richard Malpass. She carried a bouquet of white stephanotis and ivy centered with a detachable white orchid.

The bridesmaids, Sally Campbell of East Jordan and June Gilbert of Lansing, wore gowns of lime green and bronze taffeta. Each had matching pleated halos and carried bouquets of bronze mums.

James Lewis of Chicago, brother of the groom, was best man. The ushers were Glen Malpass and Harry Watson of East Jordan.

Master and Mistress of Ceremony were Mr. and Mrs. Fred Lewis of Detroit.

The bride's mother wore a gray dress with navy accessories.

The bridegrooms mother chose a rose brown dress with brown accessories. Both had orchid corsages.

A luncheon was given by Mrs. Morgan Lewis Oct. 7th, at 12:30 p. m. for the families and the wedding party at the Dilworth Hotel, Boyne City.

A rehearsal dinner for the wedding party was given by Mr. and Mrs. Richard Malpass Oct. 6th at 7:00 p. m. at the Jordan Inn.

For traveling the bride wore a navy blue knit suit with a white orchid corsage. After a short wedding trip the couple will live in Cadillac, Mich.

Guests from out of town were: Mr. and Mrs. Donald Porter, Miss Ann Porter, Miss Eva Lewis, Miss Agnes Lewis, Miss Evelyn Malpass, Dr. Howard Porter, Jr., all of Grand Rapids; Mrs. R. O. Bisbee and Clark Bisbee, Jackson; Mrs. Clayton Smith and Miss Anna Jamison, Buffalo, N. Y.; Miss Janice Griffen, Pontiac; Miss June Moore, Flushing; Mrs. Ole Kimball and Loren Kimball, Lansing; Mr. and Mrs. Carl Mellsons, Cleveland, Ohio.

Women's Table Top Suffleboard League

Standings for Oct. 2nd:
Airport Inn, 5 pt. Argonne, 7 pt.
Eagles, 2 pt. Spot, 10 pt.
Rainbow Bar, 7pt. Don's Bar, 4pt.
Nite Hawk 8 pt. Town House 4 pt.

Schedule for Oct. 16th:

Reorganized Church of Latter Day Saints

Elder Max Kramer of Onaway will be the guest speaker at the 11:00 a. m. Morning Worship Service at the Reorganized Church of Jesus Christ of Latter Day Saints. Elder Kraemer is well known in this community, having minister-er here through the years as a representative of the Presiding Bishopric.

The Church School, with classes for all ages, meets at 10:00 a. m. under the direction of Clifford Bradshaw. The Junior Church is directed by Mrs. Bradshaw. Interesting class work and capable teachers are found in this growing Church at School.

District President Harry L. Doty will have charge of another Discussion Period on Tuesday night, Oct. 17th, at 8:00 o'clock. The topic for this period will be related to the work of the local branch.

A cordial welcome is extended to all visitors.

Extension Club News

The Friendly Circle Extension Club met Thursday, Oct. 5th, at the cottage of Mrs. Roy Jenkins. Eleven members and one guest were present. Mrs. Lulu Clark, county chairman, gave an interesting talk on Extension work in this country and abroad. She especially stressed the good that our "Pennies for Friendship" are doing in foreign countries. Mrs. Helen Watson read an article on Christmas cards and gave a lesson on Christmas wrappings. Refreshments were served by the hostess.

The next meeting will be held at the home of Mrs. Erdine Rogers, Oct. 20th.

Storage Provides Winter Vegetables

With fall coming on and the job of canning at hand, more and more home gardners are turning toward storage as a means of preserving garden vegetables and fruit.

Though the job of canning can't be underrated, many persons feel that storage of vegetables and fruits, has been overlooked. It is often less expensive and requires less work than canning.

An extension service bulletin entitled "Home Vegetable Storage" (Number E-232), published by Michigan State College, offers many suggestions in food storage, including construction details for a basement vegetable storage room.

It is available free of charge and may be obtained from your county extension offices or by writing the Bulletin Office, Michigan State College, East Lansing.

Community Chest Drive Starts Next Monday

PLAN TO FINISH SAME IN ONE WEEK. GIVE GENEROUSLY

Our Community Chest drive starts next Monday and we plan to finish in one week.

This year's budget is $5044. It contains $2600 for East Jordan's Heath program and $1500 for next year's Recreation program. The board has reserved the right to put into this recreation fund anything raised over the estimated budget. We would like to sponsor a day camp next summer. The rest of the budget is made up as follows: $75 for Michigan Children's Aid Society; $75 for the Salvation Army; $125 for Charlevoix Hospital; and $644.46 for the United Health and Welfare Fund. The person who solicits you will have all details about where this money goes. A $500 reserve fund on hand will take care of any emergency demand.

This is the third year the East Jordan Community Chest has conducted a drive. It was organized in 1948 to meet the health and welfare needs of East Jordan and to assist state and national organizations conducting drives for the same purpose. The present members of the board are Robt. Campbell, Roy Jenkins and Burl Braman whose terms expire in 1951; Mrs. Hugh Gidley's, Jason Snyder's and Tom Galmore's terms expire in 1952; and Mrs. John Porter's, Mrs. Frank Strehl's and Bill Grauel's terms expire in 1953.

Bill Grauel is campaign manager and was most optimistic and enthusiastic about next week's campaign at the pep meeting held for workers at the high school last Wednesday night. Please give generously.

Antrim County Farm Bureau

URGES ELECTORATE TO VOTE "NO" ON YELLOW MARGARINE PROPOSAL

Farm Bureau urges everyone to get out and enjoy their American privilege of voting. We should remember that many people do not have such a privilege. In addition to voting on candidates, there is a most important referendum to be voted on Nov. 7th. This referendum involves the approval or rejection of a law which would permit the manufacture and sale of yellow oleo in Michigan. We all know the only reason manufactures want to make oleo yellow is because that is the color of butter. Every pound of oleo bought in the place of butter would reduce the income of Michigan farmers. The purchasing power of Michigan agriculture is vital to the prosperity and economy of our entire state. Farmers would receive very little for the ingredients which go into oleo and only a small amount of such ingredients are produced in Michigan.

This will be Proposal No. 3 on our Nov. 7th ballot and Farm Bureau urges you to cast an emphatic "NO". Let's study up on this issue, tell others about it, and do all in our power to get folks out, one and all, to vote.

Rotary Club Visitors

There were eight visitors at Rotary Tuesday and they came from widely scattered cities. From Beaver Island, Detroit, Chicago, Des-Moines, Westminister, Md; Gaylord, and one from really a long ways, Mr. Albl Albin from Vienna, Austria. Mr. Albin is in the U. S. studying agriculture, under the auspices of the U. S. Army. He is one of two men who won a scholarship of a trip to the U. S. In a 20 minute round-table he answered many questions asked by members of the Club.

The program was in charge of David Pray, who had as speaker, Jack Bowman, Assistant District Supervisor of the Conservation Dept. Jack showed the latest movies of fishing in Michigan, a picture prepared by the Department. The picture was instructive as well as entertaining. Some members wonder why, in all such movies, the fisherman always gets plenty of fish. The picture showed how, by scientific methods different waters are studied, to determine what waters are adapted to what species of fish, and how many. There can be too many fish, if the natural food supply isn't adequate to grow them to legal size.

Come again, Jack.

"Great Scott man! Not your new car!"

Special Services at Finkton Com. Building During Oct. 17-29

Special services to be held at the Finkton Community Building Oct. 17-29.

Rev. C. J. Rediger, founder and director of the Rural Home Missionary Association will be the Evangelist. This will make the fourth fall that Rev. Rediger has been with us for special meetings.

Special music is being planned for each night.

We invite the public to come and enjoy these meetings with us. If you enjoy the good old fashioner Gospel, you will not want to miss any of these services.

WITH THE
ANTRIM COUNTY AGR'L AGENT
W. G. Kirkpatrick
Extension Agent

COLLEGE MUSEUM WANTS OLD FARM ARTICLES

Farm articles of considerable age are desired by the Michigan State College Museum. An effort is being made to establish an agricultural museum second to none. Every article ever used on the farm or in the farm house will be collected for the establishment of such a museum on the farm.

Recently the Museum was given a dog treadmill that was used as late as 1881, for the making of butter. This came from Shiawasee county. The mill has been repaired and is now on display.

On many farms and in many homes are items that were of great importance to our forefathers, but are now gathering dust and in danger of being destroyed. Would it not be better to contribute such items to an institution where they will be kept permanently and help to perpetuate the history of the agriculture of our forefathers?

If you have such articles that you would like to contribute write direct to J. W. Stack, Director, Michigan State College Museum, 36 Auditorium Bldg., East Lansing, Michigan, or notify your County Agr'l Agent, Walter G. Kirkpatrick, who will be glad to assist in this.

Ralph Fuller Passes Away at His Mother's Home In East Jordan

Ralph Waldo Fuller was born May 28, 1896, at East Jordan, his parents being Mrs. Laura Fuller and the late W. H. Fuller, and passed away at his mother's home in East Jordan, Friday, Oct. 6th, 1950, aged 54 years, after an illness of five weeks with pneumonia and heart ailment.

He grew to manhood in East Jordan, later resided at Traverse City and Suttons Bay. He was a cabinet maker and interior decorator. Mr. Fuller was a member of the Michigan National Guard, prior to World War I.

In Januark, 1923, he was united in marriage to Miss Dorothy Williams at Bellaire. They made their home at Traverse City, Houghton and Suttons Bay. He has been Assessor of the village of Suttons Bay two terms.

Surviving are the widow, Dorothy Fuller, a daughter, Patricia Olson, and a son, Ralph E. Fuller. and one grandchild, Suttons Bay. Two sisters, Mrs. Doris Dickinson and Miss Hazel Fuller, Detroit; his mother, Mrs. W. H. Fuller, East Jordan.

Funeral services were held Oct. 9th at Watson Funeral Home, conducted by Rev. G. Russell Parker, Northport. Bearers: Wm. Garland, Traverse City; Joseph Fisher, Omena; Adolph Brohn, Sheldon Voice, Garfield Inch, Donad Lather, all of Suttons Bay. Interment at Sunset Hill, East Jordan.

Relatives and friends from away attending the funeral were: Mrs. Fuller, Mr. and Mrs. Ray Olson, Ralph E. Fuller, Suttons Bay; Mr. and Mrs. T. C. Wickinson and daughter, Dorisjean, Mrs. Benjamine Chynoweth, Detroit; Miss Kathryn Williams, Hancock; Mrs. Nell Sweet, Mr. and Mrs. Ral Bell, Midland; Mr. and Mrs. Ed Fortune, Ludington; Mrs. Gerald Selby, Clara Luod, Mrs. Willard Beuerle and Mrs. Jas. Fisher, Suttons Bay; Mrs. Archie McLean, Mrs. Jim Gustin, Kenneth Bohle, Mrs. Con Grouseth, Mrs. Arthur Reincke, Traverse City; Rev. and Mrs. G. Russell Parker, Northport.

FARM FACTS from your County Agricultural Agent

FIRES WERE NEVER MORE EXPENSIVE THAN THEY ARE TODAY

Fire Prevention Week is of "top priority" to the American farmer. According to the National Fire Protection Association, sponsor of Fire Prevention Week, "Fires Were Never More Expensive Than They Are Today." Many farms are uninsured; some building materials are at all-time peak prices; others, are impossible to get. With the need for certain foods, "You just can't afford to have a fire today."

Most farm buildings are of wood, built with little thought for firesafety. Hay, grain, straw, food, and other materials stored in farms burn rapidly. In spite of this, farms usually have no water or apparatus to put out the fire that starts; and in many isolated communities, organized fire departments are a long way off.

The majority of farm fires are due to just seven causes—all largely preventable. The approximate order of their importance is listed as follows:

1. Defective chimneys and heating apparatus.
2. Combustible Roofs.
3. Lightning.
4. Spontaneous Ignition.
5. Misuse of Electricity.
6. Careless smoking and handling of matches.
7. Improper use and storage of gasoline and kerosene.

Fire Prevention is a 365-day "chore", says Ed Rebman, county agr'l agent, but farmers place special emphasis on eliminating fire hazards during Fire Prevention Week. It doesn't make much sense to work for years and bring a farm to peak efficiency only to lose it in a few minutes, just because someone caused a fire by smoking thoughtlessly or was careless when "gassing up" the tractor.

POTATO & APPLE SHOW PLANNED

Potato, Apple and Legume Seed growers in all counties in the northern part of the lower peninsula are urged at harvest time to select exhibits for the Northern Michigan Potato and Apple Show. This show covering 31 counties will be held in Petoskey on Nov. 7 and 8. Premium awards made possible through the State Department of Agriculture will amount to more than $1000.00

Classes for potato exhibits will include 25 pound samples of U. S. N. 1 or U. S. Fancy representative of stock the grower has for sale in lots of 200 bushels or more. This class is open only to tabletop growers. The class for peck samples of 32 selected tubers is open to all growers while the bushel class of 128 selected tubers is open only to growers of certified seed. Classes of peck samples are included for 4-H Club members and FFA students. The apple division includes classes for plates, fancy bushels and flats in all the more popular varities. There will also be an apple pie baking contest. The legume seed divisor includes classes for alfalfa, alsike clover, sweet clover, red clover, dutch clover and vetch seed.

There is a division for posters with classes for posters made by students in high school and another for rural and city grade schools.

A Premier Tablestock Potato Grower and a Premier Certified Seed Potato Grower for the District will also be chosen at the show. The selection is based on total yield per acre, percent of U. S. No. 1 grade and showing exhibit at the show.

Any grower with a high yield should contact Ed Rebman, county agr'l agent, at harvest time so that the yield can be officially checked. Premium books for the show are now available. Anyone wishing to have a book should contact Ed Rebman, county agr'l agent.

HOLSTEIN COW IS HIGHEST PRODUCER AS TESTING YEAR ENDS

A mature Holstein cow owned by Elias Sommerville was highest for the Charlevoix-Antrim Dairy Herd Improvement Association during the month of September according to Don Graham, testor. This cow produced 84 lbs. of butterfat during the month. The second highest cow was a 3-year-old Holstein owned by Peter Winnick of Charlevoix. This cow produced a total of 68 pounds of butterfat during the month of September. Franklin Cellner of Charlevoix owned the herd of cows that was highest for the association by producing an average of 39 pounds of butterfat per cow. Elias Sommerville's herd was second by averaging 37.4 pounds of butterfat.

A tota of 34 herds was tested by the testor with a total of 387 cows on test. The average for the association was 27.4 pounds of butterfat per cow. Ed Rebman, county agr'l agent, said that plans have been made for the annual meeting to be held at Ellsworth, Tuesday, Dec. 5th. Jim Hays, extension dairyman from Michigan State College will be the speaker.

Safety Campaign To Stress Night Driving Hazards

Night driving hazards will be the theme of the state-wide November traffic safety campaign, it is announced today by State Police Commissioner Donald S. Leonard.

The campaign, one of six being undertaken this year, is sponsored by the Michigan Association of Chiefs of Police and the State Safety Commission, in cooperation with the National Safety Council.

With the slogan, "Beware of the Careless Walker," special emphasis will be placed upon pedestrian safety.

Leonard pointed out that last year in Michigan alone 7,494 pedestrians were injured and 419 killed.

"It isn't always the driver's fault," he stated. "Pedestrians take unnecessary chances and make themselves targets for injury or death, particularly at night. Nevertheless drivers should be on watch for them, for it isn't pleasant to kill or injure a person even though you may not be at fault."

Statistics reported by 29 states show that night time driving is 23½ percent more dangerous in the number of accidents which are fatal and the night mileage death rate is three times the day death rate for cities and 2½ times the day rate for rural areas.

"Police departments and safety groups throughout the state will participate in the campaign,' Leonard said. "It is our hope to bring forcibly to the attention of drivers the necessity for greater vigilance and care when driving at night because of the extra hazards that are involved. Reduced speed, headlights and tail lights in working order and alertness will will be stressed in the effort to lower the death and injury toll."

They married for money! In The American Weekly, the great color magazine with Sunday's Chicago Herald-American, read "Married for Money," the absorbing story of the Milne sisters who found an escape from poverty by marriages to rich men. Learn how they met millionaires and how they learned that women who marry for money fool only themselves. Don't miss "Married For Money" Sunday in the Chicago Herald-American's great color magazine!

CARD OF THANKS

We are sincerely grateful to friends and neighbors for their many kind acts of sympathy during our sad bereavement, the death of our brother, Jay Salisbury.

Mr. and Mrs. Frank Creswell,
41x1 Brother and Sister

Christ Lutheran Church
Boyne City — Wilson Twp.
Rev. F. J. Sattelmeier, pastor

Wilson Twp. — Sunday:
9:30 a. m. Church Service.

NEW PROCESS GIVES THIN FABRICS WARMTH OF HEAVY WOOL

Would you like a metal lining in your winter coat to make it warm and cozy in zero weather and still as light in weight as the very lightest summer coat.

Now coming on the market is a new fabric called "milium" which is made by inpregnating cotton, rayon, nylon, wool or any cloth with minute particles of metal, report Michigan State College home economists.

This new fabric makes you feel as warm as you would in mink because it keeps the warmth from the body in while in the past wool fabrics and bulky furs were used for warmth because they would keep the cold out. While wearing this new fabric you quickly reach the warm comfortable stage and stay that way without becoming too warm.

Putting the metal in a fabric adds only a few dollars to the cost of the garment and it is porous enough to be cool in the summer as well as warm in the winter. The process can make a piece of rayon twill coat lining warmer than a much heavier piece of wool material. Fabric thus treated can be washed or dry cleaned.

Watch for this new fabric in coat linings this fall and later in drapery linings, bed covers and clothing. It will be ideal for construction workers, traffic cops and soldiers who have to work outside in cold weather.

Michigan Medics To Register Monday, Oct. 16

Local Physicians, dentists and veterinarians covered in the draft order issued Aug. 6th, must register with the Charlevoix County Draft Board on Oct. 16th, between 9:00 a. m. and 5:00 p. m. This applies to all those under 50 years of age.

First Priorty — Those men who received their medical training along these lines at the expense of the government and have had less than 90 days of active duty exclusive of the time spent in post-graduate training.

Second Priorty — Those persons who participated as students in the Army Specialized Training Program or similar programs administered by the Navy and those persons deferred from service during World War II for the purpose of pursuing the course of instruction leading to education in one of the above catagories who has had 90 days or more but less than 21 months active service exclusive of the time spent in post-graduate training.

WEEKLY NEWS ANALYSIS

Congress Overrides Truman Veto Of Tough Communist Control Bill; United Nations Forces Take Seoul

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

The race of U.N. forces from the Inchon and Pusan areas to cut South Korea into two sections and isolate thousands of Communist troops in the south went forward at such a clip correspondents were unable to keep up with the advance. The two spearheads made a junction north of Taejon, trapping about 100,000 Communist troops in southwestern Korea. Arrows indicate the directions the converging advances took.

KOREA:
Three Bloody Months

After three bloody months the war in Korea appeared near the end with the capture of Seoul, 500-year-old Korean capital, and the junction of U. N. troops from the Inchon and Pusan beachheads.

The war seemed to be in the last of three stages. The first began with the invasion of Communists troops and their capture of Seoul and the general retreat of American and South Korean troops to the narrow beachhead at Pusan.

The second was that period when U. N. forces maintained their beachhead while troops and weapons for an offensive were being built up in Japan and near Pusan.

The third and final stage began with the Inchon invasion and a general attack from the north and south to isolate the invaders below the 38th parallel and thus destroy them.

The breakout from the Pusan beachhead came suddenly and in force. Troops landed at Inchon captured Seoul and headed south. The two forces were within a few miles of each other at last reports and thousands of Communists were doomed to isolation and destruction in the final phase of stage three.

Military commanders were quick to report that bloody fighting would go on for some time as mopping up operations continued. They expected guerilla warfare in the mountains for a long time since many Communist units were expected to resist to the death.

One important question remained unanswered. Will U. N. troops cross the 38th parallel into North Korea?

NOBEL PRIZE:
To American Negro

Dr. Ralph Bunche, U.N. mediator who brought an end to conflict in the Holy Land, was awarded the Nobel peace prize for 1950.

Dr. Bunche, grandson of an American Negro slave, is the first of his race to receive the peace prize. It will be presented to him December 10. He will receive $23,000 and a gold medal.

A member of the U.S. state department, Dr. Bunche was loaned to the United Nations in 1946. He succeeded Count Folke Bernadotte of Sweden as the U.N. mediator in Palestine after Bernadotte was assassinated in 1948, effected an armistice and ended the bitter clash between Jews and Arabs.

When informed of the award, he paid tribute to his predecessor for laying the essential foundations of the Palestine agreements.

"At this moment, I cannot forget that Count Bernadotte and 10 other members of our team gave their lives in the effort to restore peace to Palestine," he said.

Dr. Bunche is the eleventh American to win the peace prize. Others were President Theodore Roosevelt, Elihu Root, Woodrow Wilson, Charles G. Dawes, Frank B. Kellog, Dr. Nicholas Murray Butler, Jane Addams, Cordell Hull, John R. Mott, and Emily G. Balch.

BUSINESS:
Buoyant Economy

The business boom flourished on all fronts during September, supported by a buoyant civilian economy and increased spending for the rearmament program.

Virtually every one of the standard measuring devices that tell the state of business at any given time showed gains, and in some instances new peaks for recent years. Where there were no advances, indicators held steady.

Headliners

"Let us not, in cowering and foolish fear, throw away the ideals which are the fundamental basis for our free society," President Truman said in his 5,500-word message roundly denouncing the Communist control bill.

"I don't think there is going to be any war, but I think there will be many occasions of great anxiety until the East-West impasse is broken," Dr. Ralph J. Bunche, winner of the Nobel peace prize, said in an interview.

"We have a word in Russian which you should know. It is 'nichevo'. It means 'don't worry—things will turn out all right'," Jacob Malik told delegates while chatting with western delegates in the security council lounge. Did he mean all right for the Russians or for world peace? Diplomats wondered.

CONGRESS:
Home for Elections

The 81st congress which will be praised and condemned, according to individual political views, came to a dramatic pause with a filibuster and a vote to override a presidential veto. The congress will reconvene November 27.

The filibuster was unique in that both supporters and opponents of the tough Communist control bill, the issue in question, participated in it.

First, six senators teamed up to filibuster for 19½ hours against the bill in the hope that popular opionion and last-minute presidential appeals might tip the scales in the administration's favor.

Then, when the six finally gave up, supporters of the bill continued to talk until several advocates, including Sen. Robert Taft of Ohio could arrive for the final vote.

Among its sweeping provision, the bill requires the registration of Communists and Communist-front organizations, authorizes the mass roundup of suspected subversives in time of war or national emergency and provides stiffer penalties for espionage and sabotage.

President Truman said he vetoed the measure because:

(1) Aid potential enemies by requiring publication of a complete list of defense plants.

(2) Require the justice department and the FBI to waste "immense amounts of time and energy attempting to carry out its unworkable registration provisions."

(3) Deprive the U.S. of "great assistance of many aliens in intelligence matters."

(4) Antagonize friendly governments.

(5) Put the U.S. in the "thought control" business by regulating subversive literature and propaganda.

(6) Make it easier, instead of harder, for subversive aliens to become naturalized American citizens.

(7) Give federal officials vast powers to harass citizens in the exercise of their right of free speech.

Atlantic Hop

For the first time in history a single-engine jet fighter plane, refueled as it flew, crossed the Atlantic from England to the United States.

Piloted by Col. David C. Schilling, the F-84 Thunderjet averaged 330 miles an hour in the 3,300 mile hop. A second plane failed to complete the distance when it ran out of fuel. The pilot, Lt. Col. William Ritchie, bailed out safely.

UNITED NATIONS:
Vote Down Red Move

Again the Soviet Union's campaign to seat Communist China in the United Nation's met defeat.

The defeat was significant in that a vote was taken within four hours of the opening of the fifth session of the general assembly and was the first time the assembly ever tackled a major issue before disposing of routine organizational problems.

The motion to seat the Communist government of China was introduced by India and led to an immediate clash between Russia's delegate Andrei Y. Vishinsky and the U.S. delegate Dean Acheson.

The U.S. secretary of state said in his speech, "Vote on it now and vote it down." He reminded the assembly that 43 of the U.N.'s 59 members recognized the Nationalists as the true government of China. The vote was 33-16, with 10 abstentions.

Political observers speculated that the Soviet foreign minister might walk out after the vote. He contented himself, however, with declaring the assembly's action "illegal and incorrect."

A Canadian proposal to set up a seven-nation committee to study the question of Chinese representation and report back to the assembly when its recommendations was adopted.

Whatever the report, observers believed Russia would continue its campaign to seat Red China. It was only a matter of time [illegible] the question was brought up [illegible].

RUSSIA:
What New Game?

World diplomats are wondering what new game the Russians are playing.

The first clue of a new Soviet attitude was evident with the opening of the U. N. general assembly Andrei Y. Vishinsky, the Russian foreign minister, and his colleagues on the Soviet delegation were affable. Their speeches were almost soothing, in comparison to what they used to be. They were making a deliberate show of reasonableness.

Later, Jacob A. Malik declared he favored a meeting of top leaders of the U. S. and Russia to negotiate for peace. He said also his government would pledge not to be the first to use the atomic bomb. He also favored general disarmament.

Malik made his views known in answer to questions submitted to him by a Maryland committee for peace. The Russians are always careful in answering questions and never do so unless the questions have been cleared and approved.

With this thought in mind diplomats were wondering could it be possible the Soviet realizes what a narrow escape the world has had from a general war? Could it be possible the Russians finally desired peace or was this a propaganda move?

The state department was inclined to believe the latter. After a hurried conference the department declared Malik's statements were only propaganda.

Promotion

President Truman (right) pins a fifth star on Gen. Omar N. Bradley, chairman of the joint chiefs of staff, making him a general of the army at a White House ceremony.

WAR-TAX BILL:
Congress Approves

Congress approved the $4.7 billion emergency war-tax bill that boosted taxes from 12 to 20 per cent on individual incomes.

It was significant that the senate shouted its approval of the bill without a roll call and the house passed it 328 to seven. And even while the vote was still ringing in the two chambers, the house ways and means committee called a meeting to begin drafting a second tax increase bill.

The two measures together could boost taxes by $12 billion, to almost $50 billion a year—higher than any collections in World War II.

MUMPS:
A Commercial Vaccine

Development of a commercial vaccine against mumps has been perfected.

Dr. Karl Habel of the National Institute of health said that limited human trials showed the vaccine, while "not 100 per cent protective," appears to give a three fold reduction of mumps case among vaccinated people, as compared with those who were not vaccinated.

Michigan Mirror

INTERPRETING THE NEWS

The twang of bowstrings and the zing of arrows opened October in Michigan forests as a new army of Robin Hoods started a 36-day deer hunting season for archers. Does as well as bucks may be taken, except in a 20-county area of the north limited to bucks with at least 3-inch spikes.

At the same time, the season opened for new withholding tax deductions. Workers will find their first paychecks issued after Oct. 1 subject to new income tax rates, roughly 20 percent higher than before.

Michigan Democrats are striving for harmony, a quality whose absence has plagued party relations in recent months. Forecasters agree that state Dems will need every asset to beat the G. O. P. in this off-year election, a trick they have not turned since 1912.

In Republican ranks, disharmony at the convention seems not to have upset that party's course too seriously. Former governor and present nominee Harry F. Kelly is putting up a good front of pleasure over the G. O. P. slate for state offices, athough the convention went against his personel choice for attorney general.

The ranks of the unemployed are rapidly dwindling to nothing. State labor experts foresee in the next two months the most acute labor shortage here since 1943, as Michigan eases into its arsenal role.

Building is in the grips of the most uncertainty in years. Sponsors of many large programs delayed plans after the war, then went ahead recently after giving up the futile wait for lower prices. Now Korea has already upped costs 10 to 15 percent, brought back escalator clauses and a whole new dilemma.

The wheels of the state's automaking machinery have reached a screaming pitch. Everything is right for production records: wage settlements (raises) promise labor peace, war threats promise customers. The only "if" is whether military production may demand enough materials to hurt output. By 1951, the year's production total should be over 6,000,000 units, 1,000,000 trucks.

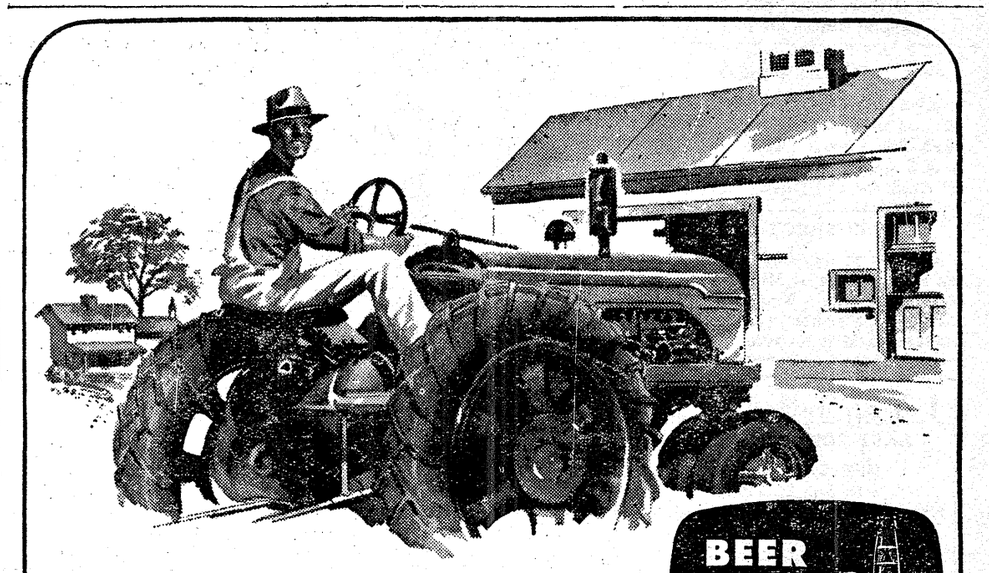

War production will not hurt the auto industry seriously unless the car makers can't get steel. For the rest of it, designs can be changed to reduce chrome trim, copper parts, and the like.

Cupid's aim improved about 100 percent when l'affaire Korea started. Marriage license bureaus reported rushing business. Kent county (Grand Rapids) set a summer record. Now brighter war news forecasts a decline in weddings.

The flight of dollars into "things" was maintained in September with a continued rise in war bond redemptions. The public is increasingly aware of the fugitive power of money during inflationary times. With he military spending now pledged, the danger is real, so people are turning to goods instead of savings.

The silver lining to this cloud is that inflation helps finance state government, may turn back the deficit. More sales at higher prices in Michigan stores means more revenue for state and local governments from the sales tax. Collections are already running well ahead of last year.

Some Republican legislators have gone limbward so far as to hope publicly that the sales tax returns will soar high enough to spike Gov. Williams' arguments for a corporation tax in the state. The fallacy in this point of view is that inflation affects the cost of government as well as anything else, in due time. Any relief will be temporary at best.

The American Way

BEER
AMERICA'S BEVERAGE OF MODERATION

In Michigan, farming is a Number 1 activity especially during this time of the year. And to ease that tired feeling after a hard day in the fields "The American Way" is to enjoy a glass of cold, refreshing, Michigan brewed beer.

For beer is the kind of beverage Americans like. It belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*

SCRIPTURE: Psalm 19:7-11; Acts 8: 26-39; II Timothy 3:14-17.
DEVOTIONAL READING: Luke 24: 25-32.

Using Your Bible

Lesson for October 15, 1950

THE BIBLE must be approached in three ways: with the head, with the heart and with the will. With the head for understanding, the heart for appreciation and reverence, and the will for obedience. That was the first question Philip asked the Ethiopian: Do you understand what you are reading? Not do you enjoy it, or do you believe it, but do you understand it? If not, then the reader can neither fully believe nor rightly enjoy it.

Dr. Foreman

• • •

The King James Version

THE BEST and simplest help in understanding the Bible is to read it in the language we speak. Now unfortunately it was not written in that tongue, but in Hebrew and Greek. We have to read it in translations. There are scores of translations in English alone.

The most widely sold of these is the one known by various names: the King James, or the Authorized, or the 1611, version. This was first published in 1611, being essentially a revision of the Bishop's Bible, a still earlier translation. The name "authorized" is misleading, however, for it never was authorized by church or state. It is a noble example of 17th century English and has had a wide influence wherever English-speaking people have gone.

The fact is, however, that people today do not speak 17th-century English any more, and very few of us even read it. Consequently the Bible, in this King James version, has a quaint Shakespearian sound, and the difficulty of the language is one of the main reasons why the average American today finds it hard to read.

Furthermore, the King James is inaccurate in many places. At the time it was published, the translators were working from Greek manuscripts which are now known not to be either the earliest or the best available. For these reasons, fresh translations of the Bible were greatly needed.

• • •

20th Century Translations

THESE modern-English translations of the Bible haven't changed the Book; they are simply helping the reader to get back to the ideas of the original apostles and prophets; they are putting the Bible again into the language people actually speak.

Some of the more important versions may be noted here. Practically all the churches of Protestant North America have been co-operating through the International Council of Religious Education, in producing what is called the "Revised Standard Version" of which the New Testament is already out, and very popular too. The whole Bible in this version is due to be off the press by September 1952.

This is an excellent version for church or liturgical use, as it keeps close to the King James rhythm wherever it can; for the King James version, whatever its faults, has a rhythm about parts of it (notably the Psalms) which has never been surpassed.

Two other translations have been before the public, and have won many friends, for a score of years now: Moffat's, and the American Translation by Goodspeed, J.M.P Smith and others. (This latter includes the Apocrypha, to which most Protestants are strangers).

• • •

At One Sitting

THE average reader, used to taking his Bible in snippets of a verse or two, or a chapter at most, at one time, will find that he can sit down with one of these modern translations and just read on and on, fascinated by the book he has discovered for the first time.

One of the "hardest" yet most important parts of the Bible, for instance, is the Epistles section of the New Testament. Every one of these epistles is a short letter, but how few persons ever read one straight through! Let the reader who is puzzled by the Epistles get a copy of "Letters to Young Churches," a translation by J. B. Phillips, and he will find that dark part of the New Testament simply opening up and shining.

The work of translating will go on and on as long as language keeps changing; let us thank God for all those who in our time have been making the Word of God again an open book for all men.

(Copyright by the International Council of Religious Education on behalf of 40 Protestant denominations. Released by WNU Features.)

SOUTH ARM....
(Edited by Mrs. Arnold Smith)

Mr. and Mrs. Harold Goebel and amily entertained as supper guests Friday evening, Mr. and Mrs. Rulolph Jacobson and family and Mrs. Axel Jacobson of Boyne City, and Arvid Jacobson of Gary, Ind., the occasion being the latter's birthday.

Mr. and Mrs. Ed Lehrbass and Mr. and Mrs. Arnold Smith and sons called on Mr. and Mrs. Roscoe Smith Saturday evening, taking a birg birthday cake and other refreshments as a belated birthday surprise for Mrs. Smith.

Mr. and Mrs. Dorance Dean of Lansing, Mr. and Mrs. Wilbur Taylor and family of Alba, Mrs. Martha Dean of Boyne City, Mrs. Edna Campau and Mr. and Mrs. Glen Campau were supper guests of Mr. and Mrs. A. D. Graham on Saturday.

Mr. and Mrs. Willard Hallenbeck of Brown City and Mr. and Mrs. Levi Sutton of Cadillac were Sunday callers at the Glen Campau home.

Mr. and Mrs. Don Moore of Flint spent the week end with his parents, Mr. and Mrs. Walter Moore.

R. V. Liskum has been busy the past two weeks building a new kitchen and furnace room on the

Farmer's Union met at the South Arm Grange Hall.
South Arm Hall Monday night, appointing new committees for the dances this next month.

Mr. and Mrs. Don Hott called on Mr. and Mrs. Harold Goebel and family one night last week.

Mr. and Mrs. Arnold Smith called at the Ed Lehrbass home Friday evening.

Barbara Peacock spent Saturday night with Rose Marie Lehrbass.

Mrs. Helen Campau gave a Stanley Party Tuesday afternoon.

Wayne Flora and Jerry McKinney will leave for Detroit Thursday where they will be inducted into the U. S. Army.

Not Maximum Special Deer Hunting Applicants In This Area

With over 20,000 special deer season applicantions received, the conservation department says a drawing will be necessary to determine lucky hunters in at least three of the four western Michigan areas. Deadline for applications is October 10.

A total of 21,800 permits will be issued for the December season to reduce deer orchard and farm crop damage. Quotas have been exceeded in areas "B", "C", and "D" but so far the department does not have the maximum 4,500 appications to hunt in area "A". This latter area consists of parts of Charlevoix, Antrim and Grand Traverse counties.

Outline of the four legal hunting areas and other special season information is contained in a pamphlet obtainable from any hunting license agent. Hunting season dates are Dec. 1-5 in areas "A" and "B" and Dec. 1-10 in areas "C" and "D".

AN APPRECIATION

We wish to thank all of our friends and neighbors and the Farm Union for all of their acts of kindness at the death of our son and father, and our thanks to Rev. Robert Moore for his comforting words.

Mr. & Mrs. Merle Fuller
41x1 L. D. DesShane

Registration Notice

For General Election, Tuesday, November 7th, 1950.

To the Qualified Electors of the City of East Jordan, County of Charlevoix, Michigan.

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at my office

Wednesday, October 18

The Twentieth Day Preceeding Said Election. Last Day for General Registration by Personal Application for said Election, from 8 o'clock a. m. until 8 o'clock p. m. on said day for the purpose of Reviewing the Registration and Registering such of the qualified electors as shall Properly Apply therefor.

The name of no person but an ACTUAL Resident of the precinct at the time of said registration, and entiteld under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Thelma M. Hegerberg,
40-2 City Clerk.

OPEN EVENINGS BY APPOINTMENT

Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA *is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!*

IN MUCH OF THE WORLD *today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.*

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- General Federation of Women's Clubs
- American Farm Bureau Federation
- National Grange
- Veterans of Foreign Wars
- National Conference of Catholic Charities
- American Protestant Hospital Association
- American Legion
- National Association of Small Business Men
- United States Chamber of Commerce
- National Association of Retail Grocers
- National Retail Dry Goods Association
- American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

You and Your Neighbor Run America!

Mr. and Mrs. Fred Wright and Mrs. Lillian Clark have gone to Newberry on a hunting trip. They plan on visiting friends in Sault Ste. Marie, Rudyard and Newberry.

Members of Mark Chapter, O. E. S., served lunch at the Fuller home to relatives and friends from away who were here to attend the funeral services of Ralph Fuller.

Word was received Sept. 28th thta Sfc. Howard O. Evans, son of Mr. and Mrs. Robert Evans, Sr., of East Jordan, was slightly wounded in action in Korea Sept. 17th. He is now in an Army hospital in Osaka, Japan. His address is: Sfc. Howard Evans 16263485, apo. 25-5, c/o P. M., SanFrancisco, Calif.

Mr. and Mrs. R. F. Barnett and Mr. and Mrs. Russell Barnett visited relatives at Stratford, Woodstock and London, Ontario, the past week. Returning by way of Detroit they spent the week end with the Gerald Barnett family and the Misses Genevieve and Shirley Barnett and Claudia Kamradt at Lansing.

New Poison Gives Good Rat Control

Farmers and others who are used to quick killing rat and house poisons will find that the new poison "warfarin" is slow but sure, says B. D. Kuhn, state agricultural extension leader at Michigan State College.

Warfarin, according to extensive tests by federal and private agencies, promises to be an important rat-killer for farm use, though it is not a fast killer like red squill. It requires several days for warfarin to work. Rats and mice need to eat only a small amount each day for about five days before death occurs.

The poison is odorless and tasteless and once rats start eating it, they do not stop until they are too far gone. For this reason, many may die unnoticed in their burrows in the ground.

County agricultural agents are reporting that warfarin gives farmers one of the best tools to use in getting rid of rats and mice. It can be used safely on farms if reasonable precautions are taken to keep it out of the reach of livestock and pets.

Several manufacturers make the new poison, which was developed by research at the University of Wisconsin.

Rat and mouse control still remains a four point program, Kuhn advised. First, kill the rats and mice; secondly, take away trash in buildings and yards in which rats and mice live and breed. Next step is to make foundations, feed rooms, and bins rat and mouse proof. The fourth and most important step is the maintenance of neat, clean buildings and yards to discourage this vermin.

"THE CASE OF THE FROZEN FOOT"

Murder never fazed him—jails couldn't hold him—courts couldn't convict him! Read the suspense-packed story, "The Case of the Frozen Foot", in this Sunday's (October 15) issue of The American Weekly, great magazine of true-life stories Exclusively with Detroit Sunday Times. You're Missing something if you miss Sunday's Detroit Times.

Blind Leading Blind

It's the biting irony of this story that kind of gets next to you.

A fellow tells of seeing this woman, blind since birth, standing on a busy downtown street corner, waiting for someone to help her across the street. As she stood there, a man brushed against her side.

"May I go across the street with you?" he asked.

"I'd be glad if you would," she replied.

Safely across, the woman turned to thank her escort, but he interrupted before she could say anything.

"Thank you," he said. "When one has been blind as long as I, it's very helpful to be guided across a street!"

Same Age

An old fellow was bothered with pain in one of his legs and, finally, went to a doctor. "It's rheumatism," said the doctor. "We have to expect such ailments as we grow older."

"Nuts to you, doc," replied the vet. "The other leg ain't a danged day younger and it ain't complaining!"

Didn't Get the Name

It happened during the late war, they say. In the hustling mob which thronged a Chicago railroad station, an attractive young woman in a bridal veil was waving goodbye to a corporal on the rear platform of a departing train. Suddenly her face registered panic and dismay. "Darling, darling!" she yelled, running after the moving train. "I forgot to ask you . . . What is our last name???"

Yoo Hoo!

Examiner: "Do you know what it means if a driver puts out a hand?"

Applicant: "Well, if it's a woman, it means she is going to turn right or left, shake the ashes off her cigarette or reverse or stop, or she's pointing to a hat store, or admiring her ring or—."

Examiner: "Yeah, and if it is a man?"

Applicant: "Why, he's usually waving at a woman."

Sit Them Out

Sally—"I don't like some of these modern dances. They're nothing but hugging set to music."

Nancy — "Well, what is there about that to which you object?"

Sally—"The music."

How About Canned?

Jim: "What's Jeb pouring on his tomato plants?"

Joe: "Alcohol."

Jim: "Alcohol! What on earth for?"

Joe: "Oh, he thinks he can raise 'em stewed."

Reticence

Calvin Coolidge always managed to keep his emotions under control. One day, shortly after he had returned from Washington, he was chatting with a friend on the porch of his Northhampton home.

A middle aged man passed by in a hay wagon.

"Hello, Cal," he called out, without stopping.

"H o w d y, Zack," answered Coolidge, nodding his head.

"A friend of yours?" asked Coolidge's companion, when the farmer had gone.

"No, he's my cousin," said Coolidge. "Haven't seen him in 10 years!"

Fictionary

SKUNK—A streamlined, two-tone kitten with a fluid drive.

PYTHON—Pie-eating contest.

NIGHT CLUB—An ash tray with music.

DATE BOOK—Crush register.

HUSBAND—Spouse-broken man.

QUICKSILVER—What the Lone Ranger says when he's in a hurry.

PIED PIPER—Drunken plumber.

VOLCANO—A mountain with hiccups.

WIG—Convertible top.

As football news blot up page one and a frosty tang fills the air, Michigan residents are brought abruptly back to reality by being reminded that now is the time to get those overseas Christmas packages off to that G. I. son or boyfriend.

It is a fall reminiscent of those lonely ones spent by millions of wives and relatives during World War II, with hundreds of Michigan men being recalled to service each month.

And optimistic though the front may look, defense (and offence) plans are going ahead in the state. A simple, ironclad priority system has been imposed on industry. A "DO" rating will give military contracts let by armed forces or the atomic energy commission the right of way in any plant.

But war production is expensive. Michiganites now are getting a taste of another income tax boost. A man making $40 per week will pay some $5 a week as against $4.10 before the increase.

But this withholding tax jump also is seen by some as another test of the inflationary whirl. The impact will not be great, economists agree, but it will cut down spending to some degree, especially in the lower brackets.

Announcing that pay scales for state employees are 20 percent lower than comparable scales for city and county employees in metropolitan areas, Gov. Williams has asked a boost in civil service rates. The present situation "inevitably breeds discontent and dissatisfaction" the governor said.

A cheering note: While Michigan cities shudder at thought of A-bomb attacks and officials warn of possible dangers, the University of Michigan calmly announces the launching of a project for "constructive atom research." It will be financed through contributions.

The usual outward post-convention lull has begun in politics. But the under-currents are moving swiftly as the fall war of nerves rapidly is drawing to a climax. The A. D. A., C. I. O.-backed Democratic calm has been maintained while G. O. P. ranks are perking up their ears to the call of Fighting Republicans, Inc.

The group, founded by Vernon J. Brown, Mason, Michigan's elder Repubican statesman, and Kit Clardy, Lansing attorney, now is beating the old tom-tom for a mass meeting "under the oaks" at Jackson, birthplace of the G. O. P. And even old line party men are beginning to listen!

"Too hot to handle" is the label most Michigan political candidates are putting on the butter-yellow oleo situation in the state which culminates in the voters decision on Proposal No. 4 in the November election. The poor politicos are caught between the devil and the deep, since they fear the loss of votes from whatever stand they take on the issue. For this reason, few have taken a stand.

Legislative research on changes in the state unemployment compensation law has been postponed until after the election—probably until the January session opens. Disagreement has been over maximum benefits, extent of coverage and the waiting period.

New precedent in labor-management relations is the $33,000 judging against the Detroit United Electrical and Radio Workers (local 937) for violation of a "no work stoppage" contract. The supreme court said the walkout was not the spontaneous decision of each individual employee.

Michigan probably will receive upwards of $400,000 for conservation work—the Pittman-Robinson funds derived from federal taxes on sporting arms and ammunition. Some of the money will go into two upstate wildlife research stations.

M. S. C. experts see the next five years as the best opportunity for sustained profit in sheep raising. The sheep population now is the lowest in 85 years—some 35,000,000 head.

Less than 4,000 handicapped workers in Michigan are now out of work. Five years ago the number was above 15,000.

Hunters Attention

The small game and duck season opens this coming Sunday. The opening hour is 10:00 a. m. for the first day.

Let's not forget that it is illegal to shoot or trap in the City Limits.

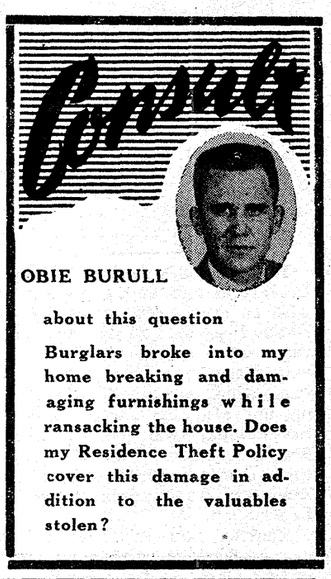

Also, let's not forget that the swans, (illegal to shoot at any time), the ducks and geese are a great attraction to our summer visitors and our local people. Our water fowl refuge at the head of the lake is a natural for the birds. Many cities pay real money to provide places for such birds to live. The Sportsmen's Cub spends about $250 per winter to feed them. They are worth many times that as a public attraction. Henry Johnson does a real job in caring for them at Sportsmen's Park. There isn't another city in Michigan that has such flocks of ducks and geese that roam about at will, still tame enough to come at call for food.

It is really sporting to shoot them? It a good deal like going out in the back yard and shooting a Jersey calf.

Evangelical Lutheran Church

Phillip Fretheim — Pastor

Bowling News

Bowling in the Merchant's league hit a new high for the season when 25 men scored over 500 pins and one hit the 600 mark.

All matches were settled on a 3 to 1 score as Sommerville's hit a new high team series with 2653 on games of 907-926-820, while they beat State Farm Insurance. The Insurance team eked out their one point by taking the final game by a single pin as John DeYoung doubled in the tenth frame. Spin Cihak found the range for Sommerville's and scored 605 as he rolled 202-232-171, while "burn 'em up" Don Clark, was tops for the losers with 532. Both the American Legion and St. Joseph topped the 2500 mark as they were beating the Anchorage and the Recreation. Four of the Legion bowers topped 500 with Al Dougherty getting 519, while Gene Tiechman had tops for the Anchorage with 512. Three bowlers topped 500 for the Saints with Jim Lilak leading on a 571 series.

Thorsen's Lumber Co. topped the Canning Co. as Bill Bennett toppled 536 pins, tops for his team, while Alex Sinclair was high for the Canners on 519. Ellsworth Electric outrolled the State Bank in the lowest scoring match of the night. Not one of the ten bowers on either team hit 500. Dip's Tavern added 3 points to their win column as they downed the Monarch Finer Foods. Leo Dipsinski had high for his team with 524 while Ike Rood had 541 for the losers.

Dip's Tavern	9	11
State Bank	8	12
St. Joseph	8	12
Recreation	6	14
Anchorage	3	17

In the Ladies League Minnie DesJardins took high game honors with an even 200 game while Datha Peacock had 472 for high three game series. Their scores helped the Dress Shop win a 765 game which was tops for the evening and also tops for the season. State Bank, who was the Dress Shop's opponent, had the high three games series with 2040. They won three points from the Dress Shop.

Thorsen Lumber's four points over Home Modernizing put them in first place. All the other matches were won 3 to 1. Dip's Tavern won three from Bachman's of Central Lake, Club 131 of Mancelona won three from Rainbow Bar, Art Cleaners of Charlevoix took 3 from Recreation Jrs., and the E. J. Canning Co. won three from Recreation.

The School Bell . . .

FIRST Grade — Mrs. Brooks

Autumn is here and we are making spatter leaves for the cover of our autumn booklet.

We thank Jerry for the beautiful aster bouquet which he brought to school.

We like the pretty new letter charts which Mrs. Brooks brought back from the Teacher's Institute.

The Bears have finished "We Look and See" and are now reading "We Work and Play".

Ila brought a cocoon to school. We are watching to see what will come out of it.

FIRST Grade — Mrs. Stokes

THE SQUIRREL WE SAW

Monday we went for a walk to the woods. We saw a hole in a tree. Then we saw a squirrel on the tree. The hole was the squirrel's house. A woodpecker made the hole in the tree. When the woodpecker left, the squirrel moved in. Baby squirrels were in the house. We sat on the hill and watched them. The squirrel tried to get the babies to come out. One baby squirrel came out. Two baby squirrels just put their heads out.

FIRST Grade — Mrs. Bowerman

Ward Cole is the first one in our room to have a birthday since school started. He was seven years old on Sunday, Oct. 8th.

Paula Burull has gone with her parents for a two week's visit in Chamberlin, S. Dakota.

Dawn Moore told us about her trip to Fort Wayne, Ind., over the week end.

We are glad to have Mary Boring back after more than a week's absence because of a cold.

After our fire drill on Monday we had a good discussion on fire prevention at home and at school.

We appreciate the work our janitors put forth to have our rooms looking so nice when we came in Monday morning. We are going to try a little harder to clean our shoes before coming in to keep our floor looking nice.

SECOND Grade — Cora Seiler

In our Language Arts we talked about the President of the United States. We learned his name and then we elected Gerald Peters president of our room for one week. Every morning he appoints helpers for the day, two housekeepers, two captains for the playground and others. Next week a new president will be elected.

Sharon Sweet's mother passed away last week. We all feel very sorry about it so we brought money to buy flowers. We are glad to have Sharon back this week.

We have our new readers "Friends and Neighbors" and the new work books. We like to work in them.

These people brought pretty plants for our room: Dennis Kopkau, Wilma Schwandt, Clyde Schliske and Don Johnson — Annette Reed.

Don Craig's aunt visited us Wednesday morning.

Norma Gee has a new baby sister.—Janet Sutton.

We have some new music books in our room. They are called "The American Singer".—Connie Bennett.

THIRD Grade — Marie Hughes

Every day's news letter is full of information concerning the deer, the swans, the wild geese and the skunks seen by the children on their way to and from the school. We are trying to notice how different animals get ready for winter.

The children in our room decided to make a seed collection this year. They are bringing in so many different kinds that our bulletin board is almost full.

Douglas Lick and Sandra Gibbard brought plants for our room.

Many children have brought beautiful flowers to make our room attractive. We enjoyed each bouquet.

Several of our children have had toothaches in school lately. We hope this will remind us to eat less candy and brush our teeth oftener.

Susan Gibbard's mother came in to see us on Tuesday. We are glad to have parents visit us.

Miss Scott has given us so many library books to read we are more interested than ever. Mrs. Hughes wants each child to get and use a library card at the city library too. The more we read the better we read.

FOURTH Grade — Mrs. Galmore

Anita Petrie is making a poster. It is a picture of deer by the lake. —Earl Parks.

We have new book shelves in our room and we like them very much. Colored leaves are falling off the trees and they are not so pretty now.—Eleanor Meyers.

We have a calendar in our room. Everyday we write down the weather under the date of that day.—Anita Petrie.

Donald Russell went to Detroit. He saw the animals in the zoo.—Robert Johnson & Curtis Thompson.

Mrs. Galmore brought two new books to school. One is "Henry's Lincoln' and the other is "Our Country's Story". —Alice Ann Sumner.

We had a fire drill Monday. We are trying to learn how to act when we have a real fire.—Donald Roberts.

We want to thank Mr. Wade and Mr. Carey for our new book shelves.—Carol Johnson.

SIXTH Grade — Alma Larsen

Martha Lord brought a nice framed fall picture to school. It had been the cover of a Post magazine. It is a picture of a school boy and girl running through the leaves with their books under their arms. She had framed the picture herself with an old frame. It is a pretty picture, in full color, and it helps brighten up the room.—Mariann Donaldson.

Monday Neal Evans brought three fossils and Shelby McClure brought two fossils to school. Neal Evans brought a fossil that looked like a leaf. We have many different kinds of fossils.—Larry Ingalls.

We have a visitor in our room. Her name is Jackie Bowen. She lives in Concord, New Hampshire. She is staying with Lavina Bowen and visited our room last Wednesday and Monday. She is leaving Wednesday morning. — Deanna Derenzy.

In our room we had our third club meeting. The club's name is The Jordanites. Our officers for the next two weeks are: President, Cal Darbee; Vice-Pres., Martha Lord; Sec'y, Larry Ingalls. Those choren by the president were: Librarian, Judy Lick; Housekeeper, Deanna Derenzy; Engineer, Buddy Knop; Dismisser, Milton Bulmann; News Reporter, Dwayne Evans; Bathrooms, Leona F., Lucille E., Glen B., Billy Farmer.—Sandra.

Sharon Whitmore moved Sunday. Now she is one mile closer to town than before.

Last Tuesday we made fall pictures of corn shocks and pumpkins for art class. Mrs. Larsen put some of them on the bulletin board. — JoAnn Bader.

We filled our silo Saturday. First you cut the corn. Then you take it to the silo. Then you put it in the silo filler and it goes up the pipe into the silo.—Fred Palmiter

We started to go to Evart, Mich. It took us 3 or 4 hours. My sister, Beatrice Putman, George Putman, their daughter, Jacklyn, George Scott, Myrtle Bowen and I went to see my uncle, Vern Bowen, at Evart.—Lavina Bowen.

We started out Sunday, Oct. 1, at 4:00 a. m. from Concord, New Hampshire. We crossed Lake Erie into Canada and got into Detroit at 6:00 a. m. Monday. Daddy and Mommy drove all night Sunday. We stayed at my aunts, Evelyn Scott's, at Pontiac, Mich., overnight. Tuesday we came to East Jordan and stayed with my aunt, Lavina Bowen. Wednesday we are going to Evart, Mich., to stay overnight at my uncle Vern's. Then we are going back to New Hampshire. — Jacqueline Bowen.

Mrs. Larsen gave Cal Darbee and Sonjia Olson each a book to report on to the room. Cal's is on frogs and toads. Sonjia's is on turtles. Frogs come out of their skins and they eat them. Frogs and toads are in danger all their lives of being eaten. Some frogs and toads may live a hundred years. Frogs or toads caught by dogs will give out a poison. Frogs will eat worms and bits of fish. Toads may be eaten by snakes, racoons and skunks. Frogs may jump twenty times the length of themselves. In 1780 an Italian named Galvani found that if the nerves in the legs of a freshly killed frog were touched with connected pieces of zinc and copper wire, the legs would kick. — Dwayne Evans.

AN APPRECIATION

I wish to thank all the friends for the lovely flowers sent at the time of the passing of my mother, Mrs. Thos. Bartholomew.

41-1 Mrs. Roscoe Mackey

From where I sit ... *by* Joe Marsh

Ought To "Polish Up" Her Traffic Manners!

Spent most of yesterday over at the Court House. "Tiny" Fields, the biggest and fastest-talking of our three policemen, was holding forth about his traffic troubles.

"Women drive just as good as men do," Tiny said, "and just as bad. For instance—a girl in a convertible today. She started a three-block tie-up all by herself.

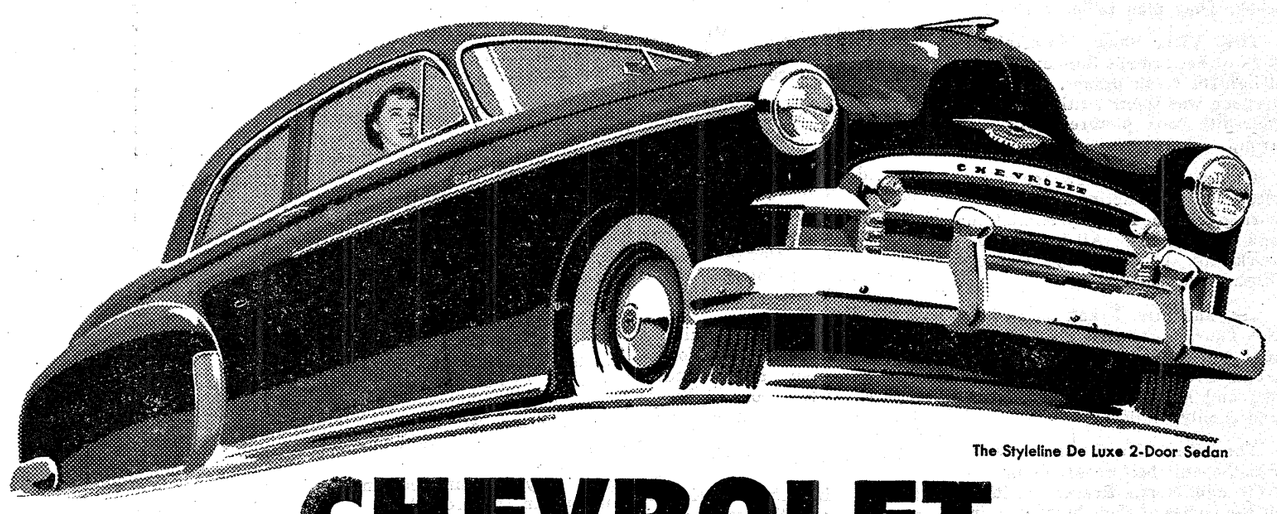

"She's creeping down Main Street—left hand stuck out and sort of waving around. Never turns right or left, never stops. But, of course, everyone behind her thinks she's signaling about *something*. Nobody dares to pass. When I stop her and ask what's up, she smiles sweetly and explains that she's *drying her nail polish!*"

From where I sit, that girl's typical of certain folks who are so wrapped up in themselves, they never notice they're not being fair to others. Our neighbor has a *right* to drive in safety—just as he has a right to enjoy a glass of beer. Let's all respect the other fellow's rights.

Joe Marsh
